I want to
See the *island*
but am not much
of a cyclist

I want to *see the island* but I am not much of a cyclist

- Start your day seeing Rottneest at your own pace with the hop on, hop off **Island Explorer** bus. We suggest 'hopping off' and exploring:
 - Parker Point
 - Wadjemup Lighthouse
 - West End
- Stop at **Geordie's Café** for a tea, coffee or smoothie.
- Grab some water from the **Geordie Bay General Store** and make your way outside to join the **Gabbi Karniny Bidi** walk trail – go south to take in the salt lakes and north for stunning coastal views.
- Put your feet up at the **Main Settlement** and enjoy a well deserved lunch at one of the many cafés and restaurants.
- Jump back on the bus or follow the **Ngank Yira Bidi** walk trail down to Kingstown to **Segway Tours WA** for a guided adventure with a difference.
- Head back to the **Main Settlement**, grab a takeaway drink and snack, and find a spot to take in the view over **Thomson Bay**.

Pick up a copy of the Island guide and chat with the staff at the Visitor Centre about times and bookings for activities.
